

**Gujarat still suffers from the effects of the cyclone
in 1998, and drought which started in 1999,
which is expected to continue through 2001.**

**Insecurity stems from repeated tremors in the region.
Yet, the people of Gujarat are known for their
strong independence and**

Resilience

**Keeping in mind the magnitude of the disaster this time,
let's help Gujarat keep up that spirit.**

A little help will go a long way.
